

Join us for the Winter Wonder Show at the Messecenter in Herning on November 7–8–9, 2025. It's going to be a spectacular finale to the 2025 show season!

The Danish Kennel Club (DKK), Denmark's largest dog organization, once again invites you to experience the most beautiful and prestigious dog show of the year at Messecenter Herning.

So come and join us for DKK's Winter Wonder Show, the grand finale of the show season!

Here, the winners of the annual competitions will be crowned — including the Police Dog of the Year.

On Saturday, we host the Nordic Winner Show 2025 — a special event that takes place in Denmark only once every four years, as the hosting rotates between Denmark, Finland, Norway, and Sweden.

On Sunday, we close the season with the traditional Danish Winner Show, marking the official end of the show year.

From Friday to Sunday, the halls of Messecenter Herning will be filled with sweet, talented dogs and their proud owners — turning the venue into a true paradise for dog lovers, full of wagging tails and coats of every kind. For children attending the show, there will be plenty of fun at the Danish Kennel Club's "Dog & Family" stand. Here, kids — and grown-ups who enjoy being creative — can join in all weekend long, at no extra cost once you've purchased your entry ticket.

A shopping universe for all dog lovers

Look forward to an exciting and inspiring shopping area, where you can explore stands offering everything from food and equipment to clothing, rosettes, and the latest products for both dogs and their owners — everything a dog lover's heart could desire.

You don't need to be an exhibitor to join in — all dog enthusiasts are invited to experience the special atmosphere, get inspired, meet fellow dog lovers, and enjoy a weekend in the company of dogs of all sizes and breeds.

Don't miss a wonderful weekend at MCH Messecenter Herning, Vardevej 1, DK-7400 Herning.
