

Certificate of mating

Suomen Kennelliitto - Finska Kennelklubben ry:n hallituksen hyväksymä 4.2.2016.

This document can be used as a separate certificate of mating when the mating takes place abroad.

This document can be used for the registration of the litter born as a result of this mating.

Location and date of mating: _____ . _____. 20__ - _____ . _____. 20__

The stud fee has been paid in full.

By signing this contract the owner of the male agrees that the litter born as a result of this mating will be registered to the Finnish Kennel Club and that he / she cannot demand any other compensation for the stud use of the male or for the registration.

By signing this contract the owner of the female / owner of the breeding rights to the female, agrees to register the litter born as a result of this mating to the Finnish Kennel Club according to the registration requirements that were valid at the time of the mating.

If all the parties of this contract are not present at the time of the signing, their separate signed documents of authorization have to be attached to the contract. Two copies of this contract have been made, one for each party. Required attachments need to be included.

* An owner is the person who owns the dog at the time of the mating. An owner of the breeding rights to the dog is the person who at the time of the mating has been granted the right to use the dog for breeding, with an agreement signed by the owner of the dog. It is recommended that the agreement of granting the breeding rights is made before the mating. The agreement shall be sent to the Finnish Kennel Club as an attachment to the litter registration application.
