FINNISH CHAMPION TITLE REGULATIONS

Valid as of 1.1.2019

This document is a translation of the Finnish version [Suomen Valionarvosäännöt 2019](#). In cases of doubt, the Finnish version will prevail.

REQUIREMENTS APPLIED TO ALL BREEDS

Finnish Show Champion (FI MVA)

At least three certificates obtained in Finnish dog shows under three different judges. At least one of these certificates must be obtained at the minimum age of 24 months. Possible breed-specific requirements regarding trial results will also have to be met. The change enters into force on 1.6.2011. (*Council 29.5.11*) The requirements regarding trial results are minimum requirements.

For a dog that has a Finnish owner / holder, results in breed-specific trials gained in Nordic countries count towards the Finnish Show Champion title. (*Council 24/11/2007*)

Finnish Agility Champion (FI AVA)

A dog is awarded the Finnish Agility Champion title once it has been awarded three Agility Certificates at the highest level in Agility, under three different judges. At least one (1) year and one (1) day must separate the first and the last certificate. The dog must also have been awarded at least the quality grade *good* at a dog show at the minimum age of 15 months.

A foreign dog is awarded the Finnish Agility Champion title once it has obtained the national Agility Champion title of its country and has been awarded one Agility Certificate at the highest level in Agility in Finland.

Regulation for the transition period: When awarding an Agility Champion title, two wins obtained before 1.6.2009 on the highest level in Agility on an Agility course, under one or two different judges, with the result 0 (max. 0,99) are considered equivalent to Agility Certificates.

Finnish Jump Champion (FI AVA-H)

A dog is awarded the Finnish Jump Champion title once it has been awarded three Jump Certificates at the highest level in Agility, under three different judges. At least one (1) year and one (1) day must separate the first and last certificate. In addition, the dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months.

A foreign dog is awarded the Finnish Jump Champion title once it has obtained the national Jump Champion title of its country and has been awarded one Jump Certificate at the highest level in Agility in Finland.

When awarding an Agility Champion title, two wins obtained before 1.6.2009 on the highest level in Agility on a Jump course, under one or two different judges, with the result 0 (max. 0,99) are considered equivalent to Jump Certificates. (*Council 22/11/2009*)

Finnish Tracking Champion (FI JVA)

A dog is awarded the Finnish Tracking Champion title once it has been awarded the 1st Prize in Blood Tracking Trial for Hunting Dogs three times, under at least two different judges. In addition, the dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months. (*Council 31/05/2008*)

Finnish Dog Dance Champion (FI KTV and FI KTV-V)

HTM Champion (Heelwork to Music, FI KTV)

A dog is awarded the Finnish HTM Champion title (FI KTV) once it has been awarded three Dog Dance Certificates in Heelwork to Music competitions. At least one (1) year and one (1) day must separate the first and last certificate. In addition, the dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months. (Council 29/05/2011)

Finnish Freestyle Champion (FI KTV-V)

A dog is awarded the Finnish Freestyle Champion title (FI KTV-V) once it has been awarded three Dog Dance Certificates in Freestyle. At least one (1) year and one (1) day must separate the first and last certificate. In addition, the dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months. (Council 29/05/2011)

Finnish Working Champion (FI KVA)

The dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months. Breed-specific trial result requirements will also have to be met. Trial results that count towards the Finnish Working Champion title, granted by the Finnish Kennel Club, must all be gained in Finland. (Council 27/05/2012)

Finnish Working Champion title in Working Trials

(Breeds entitled to compete in Working Trials are marked with *)

3 x 1st prize in the highest class in the same Working or Rescue Dog (IPOR) Trial or at least the grading *very good*, which is at least 90 % of the maximum score, gained over at least two calendar years and under at least two different judges. (Council 23/11/2003)

Finnish Working Champion (Injured Elk Tracking Trial, FI KVA-J)

2 x qualifying result in Injured Elk Tracking Trial and one qualifying result in Tracking Trial for Elkhounds. In addition, the dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months. A dog may no longer participate in a trial once it has gained the trial results required for the Champion title. (Council 26/11/2006)

Finnish Hunting Champion (FI KVA-L and FI KVA-M)

A dog is awarded the Finnish Hunting Champion title (FI KVA-M) once it has gained two qualifying results in Natural Underground Trial for Earthdogs under two different judges; the achieved title is marked FI KVA-M. In addition, the dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months. A dog may no longer participate in Natural Underground Trial for Earthdogs once it has gained the trial results required for the FI KVA-M title. If a dog obtains the Earthdog Champion title, the title is marked FI KVA-L. Thus, the titles for a dog that has obtained both the Earthdog Champion and the Hunting Champion titles are marked FI KVA-L FI KVA-M. (Council 05/05/2005)

Finnish Herding Champion (FI PVA)

A dog is awarded the Finnish Herding Champion title once it has been awarded the 1st Prize in Herding Trial in the highest class three times, under two different judges. In addition, the dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months. (Council 30/11/2008)

Finnish Rally Obedience Champion (FI RTVA)

A dog is awarded the Finnish Rally Obedience Champion title once it has gained a minimum score of 95 points in Master Class three times, under at least two different judges. In addition, the dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months. (Council 23/11/2014)

Finnish Obedience Champion (FI TVA)

A dog is awarded the Finnish Obedience Champion title once it has been awarded the 1st Prize in Obedience in Elite Class three times, under at least two different judges. In addition, the dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months.

Finnish Water Rescue Champion (FI VPVA)

A dog is awarded the Finnish Water Rescue Champion title once it has been awarded the 1st Prize in Water Rescue Trial in Winner's Class three times, under at least two different chief judges. In addition, the dog must have been awarded with at least the quality grade *good* at a dog show at the minimum age of 24 months.

Finnish Skijoring Champion (FI VVA)

A dog is awarded the Finnish Skijoring Champion title once it has won at least 3 times a 10 km men's or women's race in Skijoring or achieved a time in the class in question which is at most 10 % slower than the winner's result. At least 4 participants must take part in the class. The results must be gained over at least two competition seasons. In addition, the dog must have passed the Companion Dog Test (PAKK) as well as have been awarded with at least the quality grade *good* at a dog show at the minimum age of 15 months. *(Council 25/05/2014)*

Nordic Working Champion (POHJ KVA)

A dog that has obtained national trial champion titles from three Nordic countries (Finland, Sweden, Norway, Iceland or Denmark) will be awarded the Nordic Working Champion title in the trial or competition form in question. One can apply for the Nordic Working Champion title starting from 1.1.2010. Champion titles obtained before that are considered as merits for the dog. *(Council 21/05/09, 27/05/12)*

Nordic Show Champion (NORD CH) Valid until 31.12.2019

A dog that has obtained national show champion titles from three Nordic countries (Finland, Sweden, Norway, Iceland or Denmark) will be awarded the Nordic Show Champion title. Champion titles obtained before 1.1.2008 are considered as merits for the dog. *(Council 17/05/2007)*

Nordic Show Champion (NORDIC CH) Valid as of 1.1.2018

A dog that has obtained three Nordic Show Certificates from three Nordic countries and under three different judges, can be awarded the title of Nordic Show Champion. At least one Nordic Show Certificate must be obtained after the age of 24 months. For a dog to be eligible for the Nordic Show Champion title, the dog must be a national Show Champion in the country where the dog is registered.

Trial results required for the Show Champion title may also be gained in other Nordic countries. Whether a trial result gained in another country qualifies towards the Show Champion title is confirmed by the Finnish Kennel Club upon a proposal made by the party that administers the trial form in question. Show results required for other champion titles can be obtained abroad at dog shows approved by the kennel club of an FCI-approved country. *(Council 29/05/2016)*

If a dog has obtained a Show Champion title at the minimum age of 24 months in some other country, only one certificate from Finland as well as possible additional requirements are required for the Finnish Show Champion title. A certificate the dog has obtained in Finland under the age of 24 months counts towards the Finnish Show Champion title. The change enters into force on 1.1.2011. *(Council 29/05/2011)*

A trial result obtained overseas, by a dog that has a foreign owner / holder, counts towards the Finnish Show Champion title only if the trial result is obtained in a trial that corresponds with the breed-specific trial required of the breed in Finland and is approved by an FCI-approved kennel organisation. An FCI-approved Working Class Certificate (WCC) regarding the trial result must be sent to the Finnish Kennel Club when applying for the Champion title. *(Council 24/11/2007)*

If a dog has obtained a trial or competition Champion title in some other country, only one result from

Finland in the highest class in the trial form or competition in question is required, as well as possible additional requirements. (Council 27/11/2004, 27/05/12)

Applications for Finnish and International Champion titles are made in writing to the Finnish Kennel Club. Applications for foreign Champion titles are made to the kennel organisation in the country in question. The change enters into force on 1.1.2005. (Council 27/11/2004)
