

Import registration or open studbook registration

Transmittal letter for registration

I request that the following dog is registered with the Finnish Kennel Club and I attach

Imported dog: A copy of the dog's Export Pedigree and a chip number certificate, if the chip number does not appear on the Export Pedigree

Open studbook registration: Certificates required for open studbook registration

Breed	<input type="checkbox"/> Male	<input type="checkbox"/> Female	
Tail	<input type="checkbox"/> long	<input type="checkbox"/> bobtail	<input type="checkbox"/> docked
Name	Original registration number		
Breeder's name	Country of origin		
Dog's colour and coat texture	Date of birth		
Dog's previous titles and health results (attach copies of champion certificates and health certificates)			

Dog's owner information:

The owner starts the registration and pays the registration fee in Omakoira. If the owner is unable to start the registration and pay the registration fee in Omakoira, an invoice for registration is sent by mail.

A sticker with the dog's Finnish registration number is sent to the person marked as the first owner once the registration has been completed.
